Illinois Oral Health Plan II

Town Hall Meeting Questions

The Illinois Statewide Oral Health Plan Steering Committee is currently seeking input to help improve oral health services in Illinois. In order to collect information from Town Hall Meeting participants, please take a few minutes to respond to these questions. Your answers will be kept anonymous and aggregated with all respondents.

1. What specific problems are you having in accessing oral health services in your community? Please be specific about service and access issues.
2. Are vulnerable populations able to access services in your community (elderly, low-income, disabled, uninsured, rural residents, etc)? Please be specific about service and access issues.
3. What innovative oral health projects have been developed in the last five years in your community?
4. Do you have access to educational and public awareness materials for oral health services in your community?
5. What suggestions do you have to improve oral health care in your community?
6. Who are the oral health champions in your community? Why?
